Chapter 11 - Oklahoma Asbestos Control Act

Section 457 - Powers and Duties of Commissioner of Health

Cite as: O.S. §, __

The Commissioner of Health shall have the following powers and duties:

- 1. To inspect public buildings for the presence of friable asbestos materials;
- 2. To collect and analyze samples to determine the presence and condition of friable asbestos materials;
- 3. To determine the extent of public health hazard posed by the presence of friable asbestos materials;
- 4. To recommend appropriate abatement measures for friable asbestos materials;
- 5. To inspect private property upon request of the owner for presence of friable asbestos materials; and
- 6. To perform such other duties as the Commissioner of Health may determine are essential to the protection of public health from hazards posed by friable asbestos materials.

Historical Data

Laws 1985, SB 313, c. 270, § 5.
